NEWS FROM OUR NATIONAL CAPITAL

Congress Will Stay in Session Until Tariff and Currency Bills Are Passed.

Washington. — Congress will remain in session "until snow flies" and if necessary prolong the extra session until the regular term begins in December to dispose of tariff and currency legislation.

This was the decision of the democratic caucus of the senate which adopted a resolution declaring "that congress should proceed to consider and determine legislation concerning currency and banking immediately following the passage of the pending tariff bill."

Determination to take up currency legislation did not carry with it approval of any policy or commit the democratic party to any particular currency bill.

Believed Lind is Making Progress

Substantial progress has been achieved, in the judgment of administration officials here, by John Lind in the discharge of his delicate mission to Mexico. They feel the American embassy's adviser at least has made a breach in the wall which theoretically has been erected by the Mexican government to obstruct his negotiations.

The presentment he has already made is understood to be only of a preliminary character and will be followed by others setting out more in detail the object which the American administration had in mind in dispatching him to Mexico City.

It is understood that while there is nothing in these views in the nature of a demand for the withdrawal of General Huerta from the presidency or for the arbitrary fixing of the date for a general election, there is nevertheless a distinct intimation of the administration's belief that some concession should be made by the Huerta government to terminate the present insurrection and to insure the ascendancy of a truly popular government.

Page Says He Shared With Member

In a dramatic statement, I. H. McMichael, dismissed chief page of the house of representatives, presented to the house lobby investigation committee a sweeping charge of corruption against Representative McDermott, of Illinois, for years his sponsor. McMichael in picturesque language corroborated the allegations of M. M. Mulhall against McDermott, and made additional charges.

In addition to the charge already made, McMichael swore that the Chicago representative told him that he received \$7500 out of a fund of \$10,000 raised by the pawnbrokers of Washington to oppose a bill passed in the last congress regulating pawnbrokers in the District of Columbia.
